UNITED WAY'S 16-COUNTY REGION

UNITED FOR OUR REGION

Through United Way, you can make an incredible impact on the St. Louis region. We provide an expansive and flexible safety net to serve our entire community. With more than 160 member agencies and innumerable other community partners, we help local people through five key impact areas — foster learning, provide food and shelter, improve health, strengthen communities, and establish financial security. Listed are just a fraction of the thousands of ways you make life better for everyone within our 16-county region.

EARLY CHILDHOOD & YOUTH SUCCESS

We believe access to quality education is the foundation for success for children and youth. We help support the student, teachers, parents, and organizations who support our youth, including early education, college access, out-of-school time programs, etc.

BASIC NEEDS

For many, basic needs aren't so basic. We strive to ensure that people have the critical items and wraparound services to move them from crisis to stability, by providing food, shelter, clothing, transportation, etc.

HEALTH & WELLNESS

Access to services, education, and healthy lifestyles is critical for health and happiness. This includes access to healthcare coverage, substance abuse treatments, disability services, etc.

COMMUNITY STABILITY & CRISIS RESPONSE

We are all affected by our surroundings and emergencies and disasters we can't control. These can adversely affect how we establish a secure foundation for our future. We help with disaster recovery, legal assistance, senior support, resource connections, etc.

JOBS AND FINANCIAL MOBILITY

The best way to move an individual or family to self-sufficiency is to help them increase income, build savings, and grow assets. This creates stability that is crucial for future success. We help with job training and placement, savings accounts, financial education, etc.
